CONTACT:

Dave (Chairperson) 0417 611 820

ADMISSION:

\$5.00 adults (13 and over)

Children under 13 years are free

Since 1981, the Toowoomba Lapidary Club has hosted an annual gem and jewellery show, called Gemfest, for residents and visitors of Toowoomba and surrounding districts. GEMFEST is oriented to the **WHOLE FAMILY**. This visual spectacle shows Mother Nature's handiwork at its best - displaying gemstones, crystals, mineral specimens and fossils. Remember, as kids, we'd love to pick up rocks and coloured stones and pop them in our pockets or squirrel them away in a bedroom drawer. We are trying to encourage parents to let 'kids of all ages' continue in this healthy recreational hobby. People have come from as far away as Hervey Bay and Tamworth to see and buy at our gem and jewellery show. Three great jewellery raffle prizes to be won. **Gemstone testing** is available inside the hall for a gold coin donation. The ever-popular **Fossicking for Children** is located near the swimming pool, overlooking the outside traders.

ALL ITEMS FOR SALE

Come and see a wide range of cut and uncut gemstones, jewellery, semi-precious gemstones, beads, pearls and opals. See crystal and mineral specimens from all over the world. Carvings from precious and semi-precious stones are great for gifts, including Christmas presents. All items are for sale.

INSIDE & OUTSIDE THE HALL

For our COVID-compliant gem show in 2021, some 18 gem traders set up their stalls inside the hall. A further 25+ traders also sold their merchandise outside the hall. We will be planning a similar COVID-regulated gem show in 2022.

PERSONALISED/UNIQUE PIECE OF JEWELLERY

Very personalised and unique pieces of jewellery can be yours. Select from a range of rings, pendants or earrings available on-site and then choose a gemstone to fit the setting. Have it set while you wait. No gemstone repair work is available. Ideal gifts for that special person in your life.

RINGS, EARRINGS, PENDANTS
